Mission: *To help young people transition into
 adulthood by providing the life skills needed to
 be successful.*

Remodeling of the UP building on Locke St.
 continues. A weight room and woodshop is
 now complete. The UP kids are learning how to use tools and mak-
 ing items that are being sold on-line. Self-esteem and confidence
 levels rise in the kids when they see their projects for sale. The UP
 staff regularly visit the UP kids' classrooms, check on them, and ar-
 range for tutors. One student's grades have
 gone from F's to B's shortly after an UP staff's
 intervention. Your financial gifts are making a
 difference. To donate, please visit the website:
