

Dave Freelan.....HAZEL DELL FRIENDS

The song "Even in the Valley, God is Good", has been a blessing and a great reminder to the Hazel Dell Family. We are a very small church which, in these days, has sometimes been helpful. We can all pray for EACH one. Because we know where everyone sits, we don't forget anyone. We are very low tech, so we have an Email group list with every household on it. We use this email list to send out prayer requests, answers, and just to stay connected with an encouraging word. Each Sunday at 9:45, word goes out that the church bell will be ringing in 15 minutes. During the week, a mailing is sent to each home with scripture and a devotional message. On Easter a CD was included with Easter music.

'Even in the Valley, God is Good' has been a blessing and a great reminder to the Hazel Dell Family.

Some of our feedback is too personal to share; but it has been awesome. The song, "Fear Not Tomorrow, God is Already There", was written many years ago by our friend, Carolyn Adkins, and this is our message to WYM.

God Bless. Dave Freelan
