

Jon gives a live-streamed worship message each Sunday at 10:30 am via our Facebook page. Please join in via Facebook.

Www.facebook.com/firstfriendskokomo
Paper versions of the messages will be sent to those without Facebook or email.

Donations can be made via the website:

<https://kokomofirstfriends.org>

By clicking "Donate" at the top of the page.

Checks can also be mailed to the office.

We will be communicating more frequently via email, so be sure to check for updates in your inbox.

If you have any questions or comments, there are many ways to **safely** send us a message: message us on **Facebook**, email us at: **first.friends@sbcglobal.net**, call Jon **(765) 210-3457** or call the office **765-453-9490**.

To keep social distancing measures during the work week, please make use of calling the office or emailing rather than in-office visits. We are checking emails and phone messages frequently and are quick to respond. Please leave a message if calling after hours, **765-453-9490**, or email at **first.friends@sbcglobal.net**

This practice helps to keep everyone safe, limits exposure and the cleaning that

has to be done after in-person visits.

Protect them from disease, and provide isolation shelters in every city.

***For the young and the strong**: God, give them the necessary caution to keep them from unwittingly spreading this disease. Inspire them to help.

***For our vulnerable populations**: God, protect our elderly and those suffering from chronic disease. Provide for the poor, especially the uninsured.

FUM Summer Mission Focus, Turkana Friends Mission,

Turkana Friends Mission was founded in 1970 through the visionary work of Kenyan Friends to reach out to this pastoralist community living in a severe desert climate. Turkana Friends Mission is celebrating it's 50th Anniversary. FUM has changed the Summer Mission Project into the Summer Mission Focus, a name that puts the emphasis on information and education, rather than fundraising. For more information, go to:

Sammy Letoole, Dir. Of Samburu Friends Mission since 2013, has been appointed to the position of Director of Special Programs for Samburu Co., a senior leadership role within the government. Sammy was the first Samburu to lead the mission and under his directorship, the Friends movement in Samburu experienced rapid growth. Remember to Practice Social Distancing

Wear a face mask in public and when around others that are not in your household.

Stay 6 feet away from those that are not in your household.

Use hand sanitizer when entering the Meeting House and after touching surfaces or your face.

Sanitize surfaces that you have touched, door knobs, light switches, books, pews, desk tops, etc. or use a paper towel to handle items or wear gloves.

Stay home when at all possible and make use of safe communication options to protect others: phone calls, email, text, letter, cards, Facebook.
