Donations can be made via the website:

www.kokomofirstfriends.org

by clicking "Donate" at the top of the page.

Checks can also be mailed to the office.

Communicate **safely** with the office by either emailing:

first.friends@sbcglobal.net or by calling **765-453-9490**.

Facebook messaging works, too!

To keep social distancing measures during the work week (at least a 6 foot distance between people), please make use of calling or emailing the office, rather than in-office visits.

This practice helps to keep everyone safe, limits exposure, and reduces the cleaning that has to be done after each in-person visit.

One of FUM's priorities is providing a second chance education for urban youth in the south side of Belize City. Founded in 1994, the school gives children encouragement, social tools, & educational instruction within a Christian environment. Many students deal with disabilities, unstable home lives, and personal trauma. Belize Friends School affirms the Quaker value that the seed of God is found within every person. The school is mostly funded by donations of Friends. As they prepare for a new school year, the students depend on ongoing financial assistance. Thank you!
