To keep social distancing measures during the work week (at least a 6 foot distance between people), please make use of calling or emailing the office, rather than in-office visits.

This practice helps to keep everyone safe, limits exposure, and reduces the cleaning that has to be done after each in-person visit.

Communicate **safely** with the office by either emailing: first.friends@sbcglobal.net or by calling **765-453-9490**. Facebook messaging works, too!
