

THANKS

TO THOSE ON THE FRONTLINE OF COVID-19

Each time someone enters the Meetinghouse, there is an airborne risk of spreading the virus via talking, breathing, coughing, etc. and anything that the visitor touched has to be cleaned after leaving.

Being that there is a risk of spreading the virus when people meet in person, please limit this risk by staying home as much as possible, wearing a mask around others, keeping social distance with others, washing hands frequently & using hand sanitizer.

Communicate safely with the office by either emailing:
first.friends@sbcglobal.net
or by calling **765-453-9490**.

Spike in Covid19

Please help to keep everyone safe by avoiding in person visits to the office when at all possible.

Make use of calling or emailing the office, rather than in person visits.

Current Prayer Requests

Please pray that the men, women, and children in our shelters will find eternal hope and joy in the glorious resurrection of Jesus Christ.

Every holiday brings some measure of sadness to those who have lost their home and family. Pray that the men and women in our shelters will turn to Jesus Christ, who loves them intensely, died to pay the price for their sins and rose from the grave offering forgiveness, hope, and a new life in Him.

We are in need of some help. We would like some volunteers to help us give a phone call to those in our First Friends family who have had to keep away from the Meeting during the pandemic. If you would be willing to call 2 or 3 people (or households) each week and report any joys or concerns to Carrie or Jonathan, please let the office know so we can give you some names and phone numbers. The more the merrier!
