### **North Carolina Friends Disaster Service Eastern N.C. Disaster Relief** March 28-April 2, 2021 Trenton, NC

There are 500 families in eastern NC dealing with the problems of homelessness caused by multiple hurricanes. During the trip, we will be doing reconstruction work on homes. We are limited to 14 volunteers because of the pandemic. To participate, contact: Gary @ 336-495-6790 or Walter @ 336-244-0527

Last year, your persistent advocacy provided critical support to pass laws expanding Pell Grants to incarcerated individuals, increasing food assistance during the COVID-19 pandemic, banning the transfers of bayonets and other war equipment to local police, and addressing the crisis of missing and murdered Indigenous women. The FCNL community brought thousands of people into virtual meetings with members of Congress and their staff last year. This year, we look forward to working with you to continue and expand this work. (from the Jan/Feb. 2021 Washing Newsletter)
