Western Yearly Meeting
2021 Special Outreach Project
Global Community Technology
Goal \$15,000

One recipient of the project will be Belize Friends Ministries/School. Belize School is using Google Classroom for online lessons when stay-at-orders are in place. Nikki Holland and office administrators work through the cloud-based accounting system. These demands are taxing on their older computer systems. The special project includes expanding the bandwidth and upgrading the school's technology, funding four computers for Belize Friends Ministries.

Lugulu Prayer Request

Lugulu Hospital has become known for the care of body, mind, and spirit and their mission statement includes this goal: "to provide affordable and sustainable holistic health-care with Christian love."

Nearly 2,000 baby deliveries a year led to the expansion of the maternity ward. The new expansion allows for prenatal and postnatal care in separate areas. A larger birthing room, and nursery for premature baby incubators, also both have their own space. Please keep Lugulu Hospital in your prayers.

This year, Friends United Meeting is adopting the theme of "Hope and Light" to reflect the spiritual message we want to convey to the world. The Scriptures remind us, "God is light, and in Him, there is no darkness at all" (1John 1:5).

We affirm a life-giving hope that light will overcome the shadows of darkness and despair. We witness this through the amazing work being done by FUM's staff and ministry partners. Getry Agizah, coordinator for Friends Church Peace Team, offers pastoral care and support for young girls who are victims of sexual assault. Oscar Mmbali and Nikki Holland, FUM's staff in Belize City, deliver food parcels with love to families on the south side, a community experiencing an unemployment rate of 68%. Adrian Moody, Head of Ramallah Friends School, works tirelessly to ensure that Ramallah Friends School continues to offer a world-class Quaker education despite Covid restrictions, school closures, and financial strain. During this year of hope and light, FUM is renewing our commitment to energize and equip Friends.
