**& lock down**

For the safety of the children who attend The Children's Christian Academy (TCCA) at First Friends, all doors must be kept locked at all times during the school day. Please make sure you have locked the door behind you when entering and exiting the Meeting. **The school is to remain locked down when students are in the building for their safety.** Periodic Intruder Alert drills are performed as are fire drills. Please tell Carrie, in the Meeting Office, when entering the building, so that we know you are in the building. Entering through the Office Door is the best way for us to know who is entering and exiting the Meeting. We thank you for your participation in keeping the children at TCCA safe and giving their parents & teachers peace of mind.
